

REMARKS

In the outstanding official action, claims 22-32 and 35-50 were allowed. Claims 33 and 34 were rejected under 35 USC 101 because the claimed invention was deemed to be directed to nonstatutory subject matter.

In response, and in order to place the instant application in condition for allowance, claims 33 and 34 are herewith cancelled, without prejudice. Upon entry of this amendment, only allowed claims 22-32 and 35-50 will be pending in the instant application.

In view of the foregoing amendments and remarks, it is respectfully submitted that the instant application is now in condition for allowance, and favorable consideration is earnestly solicited.

Respectfully submitted,
